## After some discord, Islip Town Board unanimously passes two bond resolutions

By SARAH ARMAGHAN [sarah.armaghan@newsday.com](mailto:sarah.armaghan@newsday.com) @ArmaghanS Updated **June 24, 2015** 9:22 PM

The Islip Town Board unanimously passed two bond resolutions this week -- totaling \$12,190,000 in capital funds -- after nearly a month of negotiations and two failed attempts to get the required supermajority of votes.

Those remaining two bond resolutions -- a 15-year, **\$10.75 million resolution that includes \$6.25 million for road reconstruction and paving and a new \$1.4 million customs facility at Long Island MacArthur Airport;**

## Islip changes how businesses at Long Island MacArthur pay the town

#### Use millions to transform Long Island MacArthur Airport

With prospects uncertain for a federal infrastructure bill, Long Island's state senators and business leaders should make a full-court press on Gov. Andrew M. Cuomo for the \$100 million, give or take, needed for the terminal, while making sure that Suffolk and the Town of Islip, which owns the airport, are doing their share.

# MacArthur Airport Slated For Major RenovationsWSHU | By [Desiree](#)

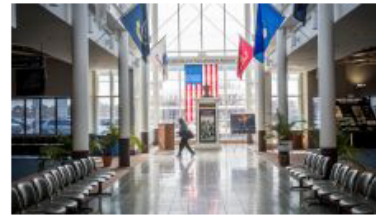

[D'Iorio](#) Published **October 10, 2019** at 6:14 PM ED

Long Island's MacArthur **Airport** will use state and federal grant money to upgrade the main terminal and modernize its infrastructure. The upgrades are part of a multimillion-dollar capital improvement project. The Ronkonkoma airport will get a new roof for the terminal, plus four new baggage carousels. **Islip Town Supervisor Angie Carpenter says some of the airport's infrastructure hasn't seen an upgrade in decades.**

## Long Island MacArthur **Airport** to receive \$5.4M to rehab concourse

Reconstruction at the **airport** is needed to attract more airlines that can offer flights to more destinations, officials said.
